Black Powder Cartridge Rifle Silhouette Match Results - Iron and Scope -June 28, 2014

Many of our regular participants migrated to an Alpine area or stayed home to avoid the anticipated desert heat. There were comments made about hot barrels and fouling today. However, the mercury peaked out just over 90. It was fitting that Gerald, a desert rat from Ridgecrest, won the Iron sight match. Jerry Vanwey migrated from his home range situated at over 6000 ft. elevation and took the Scope match with a 30.
