Bishop Gun Club

PCLARS

April 23, 2017

A very nice day greeted eleven shooters to the Bishop Gun Club range on this fine Sunday, and provided an enjoyable spring morning of shooting pleasure ... and frustration!

The two Jims seemed to rule the day, with nobody else really even getting close, but the match was won by Mr. Bridges based mostly on chicken count it would seem. Sadly, Larry Steen was feeling poorly and dropped out before the first shot was fired or there may have been some stiffer competition at the top end, but most fortunately he was feeling much better an hour later.

Again it was wonderful to have a few more shooters than we've been seeing for a while now, and chewing the fat, and shooting the bull with old friends added immeasurably to a fine day's pleasures!

Hope to see you all, and more, for next month's shoots, scheduled for the 20th & 21st of May See Y'all then!!!
