Scoped Black Powder Cartridge Silhouette

Prent Monson Memorial

I believe that there is no better way to salute our armed forces than with a shooting tournament on Armed Forces Day. Prent served our country well with two tours in the Vietnam conflict. Thanks to our Armed Forces and to all those who have served our Country.

Shooters enjoyed high seventy degree weather with mild wind with dynamic changes. The humidity was at 8% by the end of the match. Steve Colson took home trophy with a 29.

We hope to see everyone next month. Thanks for your participation in this event and for exercising your Second Amendment Rights.
